Sir Ganga Ram Saraswati Gyanpeeth School exists for the benefit of children

## Our Motto

"Arise, awake and stop not till the Goal is reached"

When the basic needs of human beings are met, they begin to think of higher pursuits. The same feeling led the promoters of the School to start on this educational venture. They felt that there was a dearth of quality school comparable with good schools in the developed countries that provided excellent service at an affordable cost. With a spirit to provide a global infrastructure, the best in academia and the greatest depth in the inward journey, the promoters have established this school where East meets West.

The motto of the school 'Arise Awake and stop not till the Goal is Reached' taken from the clarion call of Swami Vivekanand to the youth of the nation, sums up the philosophy of Lotus valley International School, The objective of the School is to assist the students to unfold their latent talents and to help them to grow to the highest possible level in as many fields as is possible for each individual, In addition to facilitating their physical, mental, spiritual, aesthetic and ethical growth the school invest them with an indomitable spirit. Our training here is geared to discovering their infinite worth as they grow up. They will not necessarily look for external approval .They will be spurred into action by an internal drive. Reaching the top is largely a matter of Self-belief therefore, it will be our endeavors to instill in them the quality of self-worth and they will be motivated in life to do the right thing.

## Principal's Message

Dear Parents and Students

It is nice to greet you all May this session 2018-2019 bring the desired fruits to each one of you. Have you ever watched a weaver bird making its nest or an ant carrying a load heavier than itself ? The bountiful nature is full of such examples which illustrate that every experience is a learning & Challenging experience.

Jacques Delors has rightly said that

education is based on the four pillars of learning to be, Learning to know each other, learning to do & learning to live & Share together. "School" the abode of learning 'influences the all round development of pupils. Education synonyms being breeding, Civilization, coaching, cultivation, culture development, discipline training, tutoring etc. It encompasses many things which in short mean an overall development of a student. As we all know that time & Tide wait for none Time is invaluable & precious. Effective time management is the need of the hour, need of the student, the teacher as well as the parent. Students need to be alert to be an optimistic worker, to be confident, to be an active learner to be an persistent to be generous, to be temperate, to be cheerful and to be ones ownself.

We as teachers, can play the role of effective facilitators of learning by making children understand how to learn effectively and what to learn.

Teachers need to deal with individual differences in order to make learning easier. Success of a nation depends on education of its people. Education has to be at the care of national development of education system as it lays strong foundation for further learning.

Parents need to devote quality time with their wards. As Parents we need you to develop a close rapport with the school & the teachers in order to smoothen the ups & downs in the child's development Let us all contribute to the all round development of the child and be enriched with learning experiences.

Dear Children you are lucky to be studying in one of the finest schools in the area. Our education system offers a variety of ways in which you can recognize your talents. The management of the school is always ready to support your productive endeavors. I hope that session 2018-19 will bring to each of us joy, cheer, good luck, health & wisdom. True to our motto, "Service before Self" Let us serve others willingly, graciously & selflessly. Let us not expect any thing in return for our service, because, there is greater pleasure in giving than in receiving

With best regards.

Shivom Singh

Principal
